SCANLAN®

# MULTI-COLORED SKIN MARKERS

## *An Essential Part of Surgical Preparation*

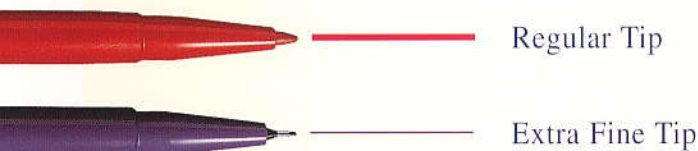

Scanlan's high-quality multi-colored surgical skin markers have become a leader in performance and reliability in operating rooms around the world.

Ideal for all surgical specialties, the original Scanlan® skin markers are designed for easy marking, identifying, coding, and contouring the surgical area on all skin tones.

Whether your surgical needs require the scrub-resistant application of Scanlan® skin markers regular or extra fine tips, you'll be assured of reliable, high quality marking.

Superior quality Scanlan® surgical skin markers offer...

- As much as 33% more ink
- An assortment of five colors
- Ideal for general and plastic surgery
- Easily identifiable on all skin tones
- An inch/metric ruler with each sterile package
- Scrub-resistant FD&C dyes
- Regular or extra fine precision marking tips
